Our Invitation

The 1953 Iowa Royal

We most cordially invite everyone interested in good livestock to attend the Iowa Royal of 1953.

We have 38 of the finest, selected mature bulls, some with show records, that have ever been assembled for an Iowa Shorthorn sale.

Their bloodlines are the most popular of the day and they are the kind that will breed deep bodies and natural thickness on their calves which is far cheaper than to feed it on.

The females represent the choicest bloodlines and most approved type ever offered at the Iowa Royal. They are and will be great beef cows that will surely contribute their half to the inheritance of superior beef calves.

We are proud of this offering because we are sure this is one of the finest offerings of bulls and females both in numbers and quality ever presented at Iowa's Greatest Sale, The Iowa Royal. We know the breeders have consigned their finest productions.

Study the catalog and you will agree the records prove our contention.

We welcome all breeders, ranchers and farmers from Iowa and many other states who have been attending the Iowa Royal in greater numbers each succeeding year.

Plan to attend. We would like to show our hospitality and give you every service we possibly can.

ALBERT 8TH—is a dark red bull with a good breedy head, flat horns, lots of bone, and rugged all the way through. He has good deep hind quarters and perfect tail setting. We considered him good enough to use him on some of his half sisters. He is sired by the \$3,000.00 Cruggleton Albert, (Imp. in dam), the top bull in the 1948 Mathers' sale. Albert 8th is out of the same dam as the Grand Champion bull at the 1949 Marshalltown spring sale. He is no accident, look him over s2e day.

UEHLAMAR COMMAND is another one of those smooth, meaty bulls by M. L. Supreme 12th that has good enough head and quarters to make him herd bull calibre. His dam is known to be the kind, in other words as well as ours, to mate well with every bull she has ever been mated to. In other words, it is blood that breeds on and that is why we think this bull will breed the right kind, so we have three head safe in calf to him.

KA DEL SUPREME 25TH. We are very proud of this bull. He's short-legged, deep and thick with meat all over him. The first calf out of his dam sold at the National at Omaha for \$1000.00. This is her second calf and a better calf. The third one was dropped last June and we have him home. He is a knockout.

BAR MAX—A very good headed, smooth, stylish, low-set, short legged, and well balanced bull that stood up well in class at the 1952 Iowa State Fair. His grandsire, Gold Bar Max, was an Iowa State Fair first prize winner, and his dam is a very good Gipsy Maid by a son of Helfred Marauder. We have turned down some good offers for this bull but desire to reserve him for the Iowa Royal. This bull will sire the right kind. Look him over carefully.

SCHANER ROYAL LEADER 14TH—Is probably one of the good bulls to be sold this year. He has a great coat of ideal red, long hair which gives him the appearance of a top imported bull. We have bred 3 of our best cows to him and only wish we could use him more in our herd. This is the first bull that combines our Royal Leader, Prince Peter, and Mercury cross which is really nicking. He is out of a two year old heifer and has been raised without a nurse cow. Don't miss this sale. This could be the bull you are looking for. Breeder's like him and say he could be the top or near top bull. To prove this he placed second in the senior bull calf class at the 1953 Denver Show, the only time that he was shown.

HELFRED CONQUEST 14th has as good a dam as any cow of the breed. His pedigree for five generations is full of outstanding sires, all dark colors and the middle of the road type, even in a light colored herd with his dark colored background I would be safe in predicting his calves will be all dark rich colors. The high standard of the breed today owes its high position to white bulls, and this is one of the best. He has a good head, very deep bodied, smooth fleshed, and stands on as good a set of legs as was ever put on a bull.

LADY CLIPPER 47th was bred Oct. 28, 1952 to Priam's Souvenir, a good son of Lawton Priam and out of a Morphie Marigold cow sired by Calrossie Victorious that won her class at the Perth show in Scotland. The females of this Clipper family seem to do well for everyone that has ever bought them and have made a lot of money for several leading breeders. This one will certainly be no exception, and mated to this dark red, deep bodied, sturdy, short-legged bull, I am sure she will make more friends for us. Has been officially vaccinated for Bangs.

JILT OF HELFRED 5th—Is a nice headed, deep bodied thick open heifer that we are selling with a breeding privilege to our herd bulls for anyone that buys her. She is out of a cow that produces a good calf, either bull or female, regardless of what it is sired by. We have one full sister and two half sisters in our cow herd that we wouldn't part with at any price, and this heifer is as good as any at the same age. She was pretested clean and vaccinated for Bangs.
